1. that

that it will hold sufficient
water to supply all horses
passing through the funnel.

R3 With regard to the
provision of water buckets
the Agent & Manager reports
that at Larkosman he has
a large number of them
for the use of the Fire Engine
stationed there & that it is
proposed to add to the number
of these buckets so that there
shall be 25 at the station
available for use.

design was discussed at the
last official meeting &
The plan will not be of the same
type as that proposed for N.W.
Railway, but together with the
estimate will be forwarded for the
Govt. of India
