Copy of a communication from the Deputy Collector Mannargudi Division to the Collector of Tanjore dated, Mannargudi, 15th June 1893. (2889)

With reference to your footnote 202380 dated 15th April last to the copy of a communication from the Consulting Engineer for Railways, I have the honor to submit draft declaration for land temporarily required for a period of 3 years for Kripavaram-Mutupet Railway in Srinallikaval Village. The total extent of land applied for is 1 acre 11 cents - 4 cents riverbank which includes 8 cents of Ramlake. 4 cents burial ground. The value of the remaining land - (which is Nam Panja type land) is put down by the Tahsildar at 8 annas per guli, which comes to Rs 156. This is reasonable. There are 14 fruit-bearing Shuppa trees on the land. The Tahsildar recommends that the tree owners may be allowed to cut and carry away the trees and that a lump sum of Rs 72-2-8 may be paid as compensation for loss of the usufruct. This, the Tahsildar says, is the rate adopted by the Special Deputy Collector in settling compensation for lands of similar quality and for trees in the same village.

2 The land belongs to Srinalluwananadaburam Temple and one of the trustees of the temple demands

Compensation at the rate of Rs 2000 per exli inclusive
of trees which is exorbitant
