Sir,

With reference to G.O. No. 2879R of 30th November, 1892 concerning the appointment of a Fourth Assistant Auditor on the Railway, I have the honor to inform you that on receipt of the Board of Directors' sanction to the creation of the post, advertisements were inserted in the principal Indian newspapers inviting applications.

Seventy four applications were received in response, out of which, twenty five only were from men who had experience of Railway Audit work. On going over these applications and giving them full consideration the Agent and the late Chief Auditor were of opinion that none of those who applied would be of such service to the Company as Accountant J. V. Agnashan.
