N. 288.

From

The Officer-in-Charge,
Anakapalle Sub Division.

To

The Executive Engineer,
Vizagapatnam Division
Machilair.

Dated the 11th April 1893.

The following is forwarded for favor of his information.

(Signed) H. W. Martin

Sub Divisional Officer,
Anakapalle Sub Division.

Copy of letter N. 286 dated 11th April 1893 to the
Deputy Tahsildar, Anakapalle.

I regret to report the death of a cooly boy aged 16 or 17 years by drowning between the hours of 9 and 10 o'clock this morning. It seems the lad who is reported to be suffering from epileptic fits went to fill water from one of the borrow pits. He filled one pot of water and went back for the purpose of washing when he must have had a fit and fell in and was drowned.

Please send some one to make the necessary enquiries.

No 464 Dy 23-6-93

Memorandum of Crimes and other Occurrences reported to Superintendent of Prisons by the Inspector of Prisons in the Madras Station District of Coimbatore on the 12th of April 1893.

Serial Number	Date of Occurrence	Place	Description of Crime and other Occurrences
No 40	Occurred on 11-4-93 at 10 th A.M. Reported on 11-4-93 at 12 th A.M.	In the gravel pit near the railway station of Chakkapally B. Division. 1 mile to that station.	<u>Accidental death.</u> The Railway Sub Engineer reported that a cooly boy aged 16 or 17 years died by drowning himself in the water of a gravel pit near the Railway station having been suddenly fainted when he went to fetch the water with a pot. H. Cons No 777 went and enquired into, gave Padamoti the father of the deceased (now Pentak) Miria of Chakkapally stated that his son was frequently suffering from the faint, and that on this day at 10 A.M. he went to the pit with a pot to fetch water and delayed there for 1/2 hour. That he also went to the pit and found that the deceased died in the water and that the pot was lying near him. A. Jogi. K. Padamoti & A. Appaji stated that the deceased frequently suffered from the faint that when J. Padamoti went there from his work and cried. They also went to the pit and saw the dead body floating on the water as well as pot & fetch water lying there. There was no mark of violence on the body, foot was coming out of the nose. The water was 3 feet deep. Panchayat was held on the dead body of the deceased. J. J. went to the place examined the dead body and enquired the above man. The verdict of the panchayat is that the death of the deceased was accidental. I beg to state that I agree with the same.
