To

The Consulting Engineer for Railways,

Madras.

Sir,

I have the honor to inform you that I have received from the Agt Locomotive Superintendent an application for an increase of pay on behalf of Fitter E. Outon of the Locomotive Department.

Fitter Outon entered the service of the Company in January 1889 under an agreement for a term of 4 years which expired on the 15th January last and he is now in receipt of a salary of Rs. 236-5-7 per mensem. It is proposed to give him, in the form of a Personal allowance, an increase of Rs. 33-10-5 which will make his pay Rs. 270 per mensem.

An application similar to this was sanctioned in G.O. No. 1359 R. of the 7th December 1889.

I beg to request that the favorable consideration of Government may be given to this application and that sanction may be communicated to me for the disbursement of the increase from the 1st Instant.

The Agt Locomotive Superintendent in his letter to me on this subject writes:

As explained to you, in conversation a little time back, were we indenting on England for
