Reference dated the 29th May last on

current No. 12 of 1893, I have the

Honor to submit a draft declaration

for the lands required by the Mayavaram

Chertsey Railway, for a brickfield on

the bank of the Odamboki River, and

to report as follows on the subject.

2- Though the lands are said to be situated in the village of Vijapuram in

in the letter of the Consulting Engineer
and the plan and the Schedule
received therewith, the Revenue
Inspector of Tiruvalur who inspected
the lands in company with the
Railway Overseer, found them to be
in the villages of Javandisollai and
Marudampatnam attached to Tiruvalur
South and Palavanakudi vottams
respectively. Of the 159 cents required,
39 cents in the former village and
16 cents in the latter are reported

trustee of the Thakkal has agreed to
receive 11 annas per guli. The rates

seen from the land transfer statements
enclosed. Although the lands were
