dated 6th July 1893, to your Ref on No.

the cost and acquisition of the
land required for Madras Brick

to inform you that the D.P. W
Sub-divisional Officer has been
requested to inspect the site
to give his opinion as to whether
the acquisition of the land near
the bungalow will be injurious
to the latter as the owner of
the land now required is unwilling
to give the land alone on the
ground that the acquisition thereof
for

CCM 31

for Madras Brickfield will be
injurious to his bungalow which
is adjacent to the land. As a
preliminary report was required
in the event of the cost of
acquisition being prohibitive
and as this latter fact cannot
be decided till the Sub Divi-
sional officer's reply is received
I am waiting for it.

Sir

Adverting to your endorsement Ref
146 dated 6 March 93. On letter No. 498
dated 3.3.93 requesting to arrange for the
transfer of certain land at Athur for Madaga
brick field of the South Indian Railway Company
I have the honor to submit herewith a draft
notification for the acquisition of the
land and to state that the land now
proposed to be taken is estimated to cost
about Rs 90 an acre at which rate
compensation is reported to have been
paid in 1889 for lands taken in the
same number.

2. The Owner of S. No. 1082 & in which
1.15 acres are required is unwilling to give
the land on the ground that the acquisition
thereof for Madaga brick field is
injurious to his bungalow adjoining
the land and requests that both the
land

land and the bungalow may be acquired.
The Sub Divisional Officer to whom
this was referred states, however, that
the acquisition of the land appears in
no way injurious to the adjoining bungalow
which he says is situated at a safe
distance of 80 feet.

The Cost of acquisition of the land is
estimated at Rs 156-14-3

3. The Statement taken from the parties
