Sir,

In reply to your reference dated the
11th June last on current No. 29 of 1893,
Camp

I have the honor to submit a draft
declaration for the lands required by the
Mayavaram Muttupet Railway for a
ballast pit in the Marudampatnam
village and to report as follows: —

2. The 1 acre 76 cents of land required
form a portion of the Linparivartanai
garden sold in August last to one
Rajagopala Aiyar of Tiruvalur. The
purchase

purchase is willing to give up the
portion required on receiving compensation
at the rate of 4 annas per guli, which
rate appears to be very favorable, when

it is considered that the Special

Deputy Collector is reported to have
paid at the rate of 11 annas per guli
for similar lands -
