SIR,

It has been decided to issue a "Provisional Issue" of Chapters I and II of the revised edition of Volume II of the Public Works Department Code, relating to accounts of Sub-divisional officers and of Executive Engineers, as the chapters contain important matter and are much required. The Superintendent of Government Printing, India, Calcutta, has accordingly been instructed to print the required number of copies; and I am directed to request that you will be good enough to indent on him for the number of copies you require.

2. The other chapters of Volume II will follow, and an index will in due course be prepared.

I have the honour to be,
