Resolution by the Government of India, Public Works Department, No. 2523 G., dated 28th September 1893.

RESOLUTION.—In the Resolution read above, the Governor General in Council was pleased to promulgate certain rules and orders regulating the organisation of the grades, the grade pay, and the promotion of Executive and Assistant Engineers of the Public Works Department. The Governor General in Council is now pleased, with the sanction of Her Majesty's Secretary of State for India, to publish the following rules permitting the retirement, on special pensions, of certain officers of the same establishment who entered the Department of Public Works in the years 1874 to 1881:—

- (i) A certain number of Civil Engineers who joined the service in the years 1874 to 1881 inclusive, shall be eligible, after completion of 15 years' total service, to retire with the pension due under the rules applicable to them, and an additional pension of one-third of their ordinary pension, up to a maximum of Rs. 4,000 per annum.

Provided that no officer who was originally appointed to the Department in any rank below that of Assistant Engineer, 2nd grade, and who shall not have completed on the 31st December 1893, 12 years' service from the date of promotion to that grade, shall be eligible for retirement on these terms.

Provided also that no officer on foreign service shall be eligible for retirement on these terms.

- (ii) The Government of India reserve to themselves absolutely the right to refuse the application of any officer to retire under these terms, and to exercise that right without specifying reasons.
- (iii) Subject to rules (i) and (ii), a number not exceeding one-third of the total number of officers, on each of the several lists, eligible under the terms stated, and also not exceeding, in the aggregate, 110 men, may be allowed to retire.
- (iv) Applications for leave to retire must be made as follows—
- (1) by those who have completed 15 years' total service, or more, on the date of this Resolution, within three months of that date.
