SIR,

I have the honor to forward herewith the plan and schedule of land required for the Perambur Church and to request that you will be so good as to let me know as early as possible the probable cost of the land. As it has been proposed to have the foundation stone laid by His Excellency the Bishop of Madras on the 12 Oct. next, the foundations should be constructed up to the basement level by that date the land should

Adverting to your Refount No. $\frac{1818}{Eng.}$ dated
9th June last, I have the honor to forward
herewith a Statement shewing the probable
cost of acquiring the lands required for
Perambore Church in the Village of Sirui:
Vallur. In this Statement the value of S. No.
18 B has been left blank. For, as would
appear from the enclosed letter of the Acting
Loco. Superintendent to the Tahsildar dated
12th July last, No. $\frac{a 131 65\frac{1}{2}}{779}$, Compensation
therefor has been settled between the owner
and the Madras Railway Company. The
value of the lands has been carefully fixed
with reference to the selling price of similar
lands in the neighbourhood. A portion of
17 B now required has been sold at the ^{manai}
exorbitant rate of Rs. 46 per ~~manai~~ of $5\frac{1}{2}$
cents owing to its being well suited for build-
ing purposes and the owners demand Rs. 40
per manai, which is not much considering
the

the price at which lands of this quality are sold in Srivallur which is close to Madras.

2. As the matter is an urgent one, I enclose also the draft notification providing for the acquisition under Section 17 of the Act of all the lands required excepting 18 B for transmission to the Consulting Engineer so that in case the estimate of cost is approved by the Company, that officer may forward the notification to Government without delay. As the owners of the lands do not raise any objection to their acquisition, their statements are not forwarded.
