Sir,

In reply to your telegram marginally quoted, I am

directed to invite attention to the Government of India's No B. 18, dated 16th January 1893.

My letter numbered and dated as telegram No. 57 R.C. follows. 13 R., 9th instant.

Please wire urgent if Major Constable dated 16th January 1893, is to make the inspection on the 20th, as if so he must leave tomorrow." in which you were

informed that there was no objection to the postponement of the inspection of the Bezvada-Godavari Section, East Coast State railway till next month, as proposed in the telegram from the Consulting Engineer for Railways, Madras, dated Secunderabad the 12th instant.

2. I am to add that details as to the time of the inspection are left to the Government of Madras to deal with as it thinks best; and that it is within the competence of the Senior Government Inspector of Railways, Madras, to depute Major Constable to carry out the inspection, if he thinks it desirable.

3. I am to take the opportunity to point out, with reference to the Consulting Engineer's telegram of the 12th January above referred to, that he was not in order in addressing the Government of India in his capacity of Consulting

Engineer

Engineer, and that he should have done so as Joint Secretary
to the Government of Madras or as Government Inspector.

I have the honour to be,
