Read the following paper:—

From the Resident in Mysore, to the Chief Secretary to the Government of Madras,
dated Bangalore, 1st December 1892, No. 3865/255-92.

In continuation of my letter No. 3468/255-92, dated the 27th October 1892, I have the honour to state that Mr. H. Groves, Joint Secretary to the Government of Mysore for Railways, has been deputed by the Durbar to arrange to carry out the proposed reconnaissance for railway extension to the Western Coast.

2. I beg that the necessary instructions may be issued to the Collectors of Malabar and South Canara to afford Mr. Groves and his staff all the assistance and information they may require in the course of the reconnaissance. If desirable, the necessary steps might be taken under the Land Acquisition Act, so that Mr. Groves and his staff may be at liberty to enter on any land in the districts of Malabar and South Canara whilst engaged in this work, subject, of course, to the provisions of that Act.

I am afraid we have no ground for stating that Candia's true location is likely to be needed for the further progress in question. This is a necessary condition precedent to the issue of a report under Sec 4 Act 8 of 1870. Further, I doubt which process of law is desired or required for a more thoroughness, and we are not in a position to specify the location with sufficient precision to justify a note under Sec 4.

NOTE.

With reference to the
Honorable Member's remarks
on the accompanying draft
L.O. the undersigned begs to
state that if the Engineer is
rightly supported in some way,
any one may turn them off
the land and so stop operations.
If a declaration cannot be
inserted in the Gazette, some
one having authority should
be sent by the Collector of
each district to prevent ob-
struction.

The Cochin survey attached to the
Major Comptroller's note was a detailed
one. This is not. No such action
was taken in the case of the
renewal of the L.O. by
the Comptroller with the L.O. of the
this is a small case. The L.O.
may be required to do the work
against the L.O.
