73 From the Inspector General of Police.
dated 9th December 1892. No 7610.

Order 25th January 1893 N^o 175

The proposal of the Agent of the Southern Maharashtra Railway Company to place the Police on that line under the Superintendent of Railway Police at Sharnur does not commend itself to Government. As a temporary arrangement pending the opening of the East Coast Railway an Assistant Superintendent on the average pay of the grade may be entertained for the Southern Maharashtra Railway and the necessary provision should accordingly be made in the Inspector General's Scheme. The headquarters of this Assistant Superintendent will be fixed at Bellary, Hindyul or Bezamdar and he will, in addition to the Southern Maharashtra Railway, be placed also in charge of the Bezamdar extension and the East Coast Railway.

as far as reach as the Godavari. The strength of the Police establishments proposed by C.B. Porter for the Southern Maharashtra Railway appears reasonable. But final orders upon all these matters cannot be passed until the revised scheme called for in G.O. dated 12th July 1892 No. 1290, is received. The Government see no necessity to consult the Government of Bombay in respect of the Police arrangements to be made on the Southern Maharashtra Railway.
