*Proceedings of the Madras Government, Revenue Department,
16th February 1866.*

No. 311. Read the following Proceedings of the Board of Revenue, dated 9th February 1866.

Read the following letter from the Collector of the Godavery District, to the Secretary to the Board of Revenue, dated Ramachendrapur, 30th January 1866, No. 23 :—

1. I have the honor to acknowledge the receipt of the Proceedings of the Madras Government, Public Works Department, dated 11th instant, No. 131, forwarded with the Board's Proceedings of the 17th January, stating that my application for an allotment of 3,000 Rupees during the current year for the improvement of communications in the Rumpa country cannot be complied with, because the reserve under all heads is exhausted, and no money is available from other sources.

2. I beg to state that the work for which the additional grant is required is very important, and work ought to be undertaken between the beginning of February and end of April. This being the healthy and favorable season, coolies can be procured easily and the work superintended well.

3. In consequence of the scanty population and unhealthiness of the country, it would be very difficult to carry out the work after the end of April. I therefore beg to suggest that a sum of Rupees 5,000, which the Government have directed in the above Proceedings to be provided for the work in the Budget for 1866-67, may be taken as a loan from the District Road Fund for the current year, as there are sufficient funds available in this District for the purpose. It can be paid from the Imperial Funds for 1866-67 when sanctioned.

4. I find that the actual receipts of the District Road Fund for the current year will exceed the estimated receipts entered in the Local Fund Statements, and that the whole amount estimated for expenditure on works in the current year will not be spent, and there will be thereby a large balance remaining on hand at the end of the current official year.

5. Under the circumstances stated above, I request that the Board will be pleased to obtain the sanction of Government for the proposed measure.

Recommended for the sanction of Government.

No. 312. ORDER THEREON, 16th February 1866, No. 422.

Local Funds, No. 13.

Civil Works.

As the money in question is not required for outlay this year on District Roads, and it is of consequence to commence the Rumpa roads at once, the Governor in Council sanctions an expenditure of Rupees 5,000 out of the District Road Fund of 1865-66, to be re-paid out of the Public Works allotment of 1866-67.
