12TH JANUARY 1893, No. 46 R., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Railway.

Read the following paper:—

Revised Estimate of State Expenditure for 1892-93 and Budget Estimate, 1893-94 on account of Guaranteed Railways in Madras.

No. 8.

Endorsement by the Consulting Engineer for Railways, dated Madras, 11th Jan. 1893.

Submitted to Government for transmission to the Government of India.

2. *Control.*—The revised estimate for 1892-93 compares as under with the sanctioned budget:—

	Budget, 1892-93.	Revised estimate, 1892-93.
	Rs.	Rs.
Office of the Consulting Engineer for Railways ...	77,917	80,162
Do. Examiner of Railway Accounts ...	49,083	50,519
	1,25,000	1,30,681

3. As regards the office of the Consulting Engineer for Railways, the net increase of Rs. 2,245 in the revised estimate is due to—

(a) an increase of Rs. 5,301 caused by the higher salary drawn by Mr. Walker, Officiating Consulting Engineer, as Chief Engineer, second class, for five months during the absence of the permanent incumbent, the higher pay passed for the present third Deputy Consulting Engineer and extra pay for one month and five days of the additional third Deputy Consulting Engineer;

(b) a decrease of Rs. 956 due to the less amount of Ootacamund allowance drawn in connection with the late move of Government to Ootacamund, to the vacant place of a clerk on Rs. 60 and to the reduced pay drawn for temporary clerks;

(c) a decrease of Rs. 1,500 under "Travelling allowance" and Rs. 603 under "Contingencies."

4. The budget estimate for 1893-94 is prepared for the following totals:—

Office of the Consulting Engineer for Railways ...	Rs. 82,285
Do. Examiner of Railway Accounts ...	53,713

The difference of Rs. 2,123 between the revised estimate, 1892-93, and budget estimate, 1893-94, is explained as under:—

(a) A decrease of Rs. 997 under officers is due to the less pay provided for Consulting Engineer for Railways as Superintending Engineer, second class.

(b) An increase of Rs. 1,120 under office establishment is mainly due to the provision made for increments to clerks and to Ootacamund allowance for six months.

(c) An increase of Rs. 1,500 under travelling allowance is on account of the openings of increased mileages.

(d) An increase of Rs. 500 under contingencies is to more nearly accord with the budget for 1892-93.

5. The explanations regarding the Examiner's office are furnished in the note by that officer.

6. *Land*.—The revised estimate for 1892-93 is submitted for Rs. 15,000, being Rs. 15,000 less than the budget figure. The decrease is due to a provision having been made for a large extent of land at Jalárpét, but as there is no likelihood of the land being acquired and paid for this year, the amount set aside for it is surrendered. The budget estimate for next year is submitted for Rs. 30,000 or Rs. 15,000 in excess of the revised estimate. This sum provides for normal requirements and for the Jalárpét land.

ORDER—dated 12th January 1893, No. 46 R., Public Works.

Ordered that the revised estimate of State expenditure for 1892-93 and budget estimate for 1893-94 on account of Guaranteed Railways in Madras be forwarded to the Government of India.

2. As regards the office of the Consulting Engineer for Railways, the net increase of Rs. 2,245 in the revised estimate is due to—

(a) an increase of Rs. 5,304 caused by the higher salary drawn by Mr. Walker, Officiating Consulting Engineer, as Chief Engineer, second class, for five months during the absence of the permanent incumbent, the higher pay passed for the present third Deputy Consulting Engineer and extra pay for one month and five days of the additional third Deputy Consulting Engineer;

(b) a decrease of Rs. 956 due to the less amount of Ootacamund allowance drawn in connection with the late move of Government to Ootacamund, to the vacant place of a clerk on Rs. 60 and to the reduced pay drawn for temporary clerks;

(c) a decrease of Rs. 1,500 under "Travelling allowance" and Rs. 603 under "Contingencies."

3. The budget estimate for 1893-94 is prepared for the following totals :—

	Rs.
Office of the Consulting Engineer for Railways ...	82,285
Do. Examiner of Railway Accounts ...	53,713

The difference of Rs. 2,123 between the revised estimate, 1892-93, and budget estimate, 1893-94, is explained as under :—

(a) A decrease of Rs. 997 under officers is due to the less pay provided for Consulting Engineer for Railways as Superintending Engineer, second class.

(b) An increase of Rs. 1,120 under office establishment is mainly due to the provision made for increments to clerks and to Ootacamund allowance for six months.

(c) An increase of Rs. 1,500 under travelling allowance is on account of the openings of increased mileages.

(d) An increase of Rs. 500 under contingencies is to more nearly accord with the budget for 1892-93.

4. The explanations regarding the Examiner's office are furnished in the note by that officer.

5. Land.—The revised estimate for 1892-93 is submitted for Rs. 15,000, being Rs. 15,000 less than the budget figure. The decrease is due to a provision having been made for a large extent of land at Jalárpét, but as there is no likelihood of the land being acquired and paid for this year, the amount set aside for it is surrendered. The budget estimate for next year is submitted for Rs. 30,000 or Rs. 15,000 in excess of the revised estimate. This sum provides for normal requirements and for the Jalárpét land.
