Statement of Hari Krishna Padhi ~  
residing at Ganjam.

Sometime ago some land in Survey No 86 in Kanchipuram was taken up for the Railway and Compensation at Rs 51-8- per acre was paid. It has now learnt from the Revenue Inspector that some land in the same Survey number will be taken up by Government for the Railway. The land now wanted is wet land. I improved the land at a heavy cost and have now grown paddy on it. I do not therefore like to part with it. Should Government want it for a (Temporary) period, I would give it on payment of the income derived from it and of the assessment thereon due to Government. When not required by Government the land must be given back to me. I am not willing to give up the land to Government merely <sup>on</sup> payment of money to me. This is the state. Went caused to be written by me in person.
