GOVERNMENT OF MADRAS.  
PUBLIC WORKS DEPARTMENT.

Railway.

Read the following paper:—

Revised and Budget Estimates, Land and Interest, Nilgiri Railway, for 1892-93 and 1893-94 respectively.

No. 13.

Endorsement by the Consulting Engineer for Railways, dated Madras, 12th Jan. 1893.

Submitted to Government for transmission to the Government of India with reference to its letter No. 287 A.G., dated 15th December 1892, embodied in G.O. No. 3085 R., dated 23rd idem.

2. *Land.*—(a) The revised estimate is submitted for Rs. 63,500, or Rs. 94,500 less than the budget and six months' estimates. The decrease is due to a decision arrived at that, instead of acquiring certain lands, compensation is to be paid for damage done to the coffee estates by rolling boulders and spoil thrown out of cuttings. In consequence of this the area of temporary land to be acquired has been largely reduced and the Gazette notifications published at the time of preparation of the six months' estimate accordingly revised.

The revised estimate now submitted has been prepared by this office on telegraphic advices received from Collectors.

(b) The budget estimate for 1893-94 amounts to Rs. 50,000, which it is considered should cover the disbursements in connection with compensation payments for damage caused by boulders.

3. *Interest—Revised Estimate, 1892-93.*—There is a slight reduction in the interest provision for the current year as the estimated deposits will probably amount to about Rs. 11,00,000 instead of Rs. 16,00,000 as originally estimated.

*Budget Estimate, 1893-94.*—The provision has been increased by Rs. 32,500 over the revised estimate as it is anticipated that nearly the whole capital will be deposited during the year.

ORDER—dated 12th January 1893, No. 56 R., Public Works.

Ordered that the revised and budget estimates, Nilgiri Railway, land and interest, for 1892-93 and 1893-94 be forwarded to the Government of India.
