SIR,

in
Please say if the
declaration may be
returned to the Collector
with the report that
he may specify the
purpose for which the
land is required in connection
with the railway. It will not do,
I think, to say only "for Railway
purposes".

to return the draft nota-
fication for the acqui-
sition of land received with
your letter No. 52, dated

to request that you will
be so good as to specify,
in the declaration, the
particular purpose for which
the name of the railway for

do not appear to fully meet
