SIR,

Reminders.

In reply to your letter No. 220 of the 16th instant, I have the honor to state that although sanction has been accorded for the use of locomotive engines & rolling stock on the Mayavaram - Antupet Railway the provisions of section 16(2) of the Indian Railways Act (IX of 1890) should be complied with. I request, therefore, that very early steps may be taken to obtain sanction to adopt on that line, the general rules for railways under construction.
