Read the following paper :—

From the Collector of the Vizagapatam district, to the Joint Secretary to Government,
Public Works Department, Railway Branch, dated 30th April 1893,
No. 1258.

The East Coast Railway is in great difficulties about accommodation for the office which will have to be established in a few weeks when the line opens. Waltair and Vizagapatam are so overcrowded that there is absolutely no accommodation of any sort to be hired here and the new office will not be ready for several months.

2. There is, however, a large bungalow belonging to Mr. Narasingarow's daughter which has always been reserved for the use of the family, and she has kindly consented to allow the railway to occupy the lower rooms until its own buildings are ready. The house has never been let since it became the property of the family, and Mrs. Narasingarow objects to accepting rent for the part placed at the disposal of the railway. I therefore request the permission of Government to hand it over free of charge to the Chief Engineer.

ORDER—dated 13th May 1893, No. 858 R., Public Works.

The Right Honorable the Governor in Council accepts, with thanks, the offer of Mr. Narasingarow's daughter to place the lower rooms of her house at Waltair at the disposal of the East Coast Railway authorities free of rent until the new office is ready.
