dated 10th May 1893 No 610

With reference to your docket No 2536 - dated 20th April 1893, I have the honor to report that the compensation of No 330-12-1 consists of the value of 6 acres, 82 cents of land and of the trees standing thereon. The value of the land alone comes to Rs 255-4-1 at the rate of Rs 250 per Uli in Marudangaveli and Rs 200 in Alangadu; and the value of trees is Rs 7½-8-4; and that of a hut is Rs 1-4-4. There are 184 trees on the land, 92 Cocoanuts, 90 Palmyras and 2 mangoes. They are valued at different rates fixed in proportion to their bearing capacity. A list is sent showing the various rates at which they are valued.

2. I beg to state that though the land is temporarily required under Class B, its value has been fixed as surmised by you as if the acquisition is permanent and this is in consonance with rule 40 of the new rules received subsequent to the submission of the draft declaration.
