FOR ORDERS

I submit 2 draft orders for approval, delegating certain powers to E.R. in accordance with C.P. recommendation that such a procedure will save some trouble & time.

² In the case of granting leave to subordinates absent from duty for medical treatment, the Agents & Subagents have practically exercised these powers & E.R. ^{now} merely approves of the entries as appearing in the books of Minutes of meetings. ^{vice versa}

³ I think there is some advantage in the delegation of these powers.
