**TRAVELLING ALLOWANCE FOR ASSISTANT TRAFFIC MANAGERS
AT HEAD-QUARTERS.**

No. 3. Read letter No. S. 86854/19129, of the 11th instant, from the Traffic Manager, applying for the usual travelling allowance of Rs. 5 per diem, drawn by officers under the rules printed at page 82 of the Establishment Lists, being extended to his Assistants stationed at Madras when, as is frequently the case, they are called upon to proceed on the line to take charge of divisions for short intervals or are deputed to make journeys on duty. For such absences they do not at present receive a travelling allowance but continue to draw the Presidency allowance. It was considered that the existing rules covered the application but to make the matter clear it was **resolved** that the following addition be made to the travelling allowance rules printed on page 82 of the Establishment Lists in the item "Assistant Traffic Managers on duty in Madras" :—

After the words, "per mensem," read, *and Rs. 5 per diem when employed out of Madras on duty other than acting for an officer on privilege leave, subject to a limit of 10 days.* (Minutes of meetings 29th September 1881 and 30th January 1893.)

ANNUAL LIST OF COUNTRY STORES.

No. 4. The following Minute of the Stores Sub-Committee was considered, and it was **resolved** that in future the list submitted by the General Storekeeper should not contain items of a less gross value than Rs. 50 per annum :—

The Committee beg to draw attention to the numerous items of very small value entered in this list of stores. These not only take up a large part of the Committee's time with little result, but it is, in their opinion, unreasonable to expect contractors to deposit Rs. 200 security for the supply of articles to the value of a few rupees only and to pay a Rs. 2 stamp on an agreement and this course only results in unnecessarily high prices being paid. These items, they consider, can be better obtained, as required, by the General Storekeeper, and suggest that he be authorized to omit from the list in future years any items of a less gross value than Rs. 50.

No. 5. **Resolved** that the following Schedules, A to C, and, E to L, be approved and recorded, and that the total of Schedule B be included in the list of General Revenue Sanctions recorded in Minute No. 1.

The acceptance of the above mentioned tenders was confirmed.

No tenders were accepted for *Blotting Paper, Cartridge Paper, Ink Red for Rubber Stamps, Rattan, Shellac and Table Cloths* as satisfactory samples had not been received or the rates quoted by the contractors were prohibitive. The General Storekeeper was asked to make other arrangements for their purchase. *Shell cuttle fish* has also been omitted from the list as it was thought by the Stores Sub-Committee that the Locomotive Department could, from their own supplies, furnish the General Storekeeper with the small quantity required by him.
