SIR,

I have the honour to forward herewith for approval and publication in the Fort Saint George Gazette 6 draft notifications under Act I of 1894 for lands required for the extension of the Waltair Central Station of the East Coast Railway.

2 A Special Deputy Collector has recently been appointed for the acquisition of these lands immediately on payment of Compensation as the Railway Department has to spend a large amount within the close of the

this month. To save delay therefore,  
the draft notifications are submitted  
as received from the Special  
Deputy Collector, though in some of  
them the information required by the  
first three columns of the Schedule  
is given at the head of it as  
is done in the notifications pub-  
lished in the Fort Saint-George  
Gazette. I request that the noti-  
fications may be ordered to be  
published in the Fort Saint-  
George Gazette immediately and  
the fact of their publication  
communicated to me by wire  
so as to enable the Deputy  
Collector to pay the necessary  
compensation before the close  
of the official year. The owners  
of the lands have no objection  
to their acquisition.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings

of the Board of Revenue (Land Rev.) of 6<sup>th</sup> June 1894. No. 3104. This on the following letter from the acting collector of Vizagapatam of 29<sup>th</sup> May 1894. Vis. No. 1118.

Referring to G. O. No. 136. R. dated 3<sup>rd</sup> March '94, I have the honor to state that Mr. R. M. Butchi Venkayya Pantulu Garu, Special Deputy Collector appointed for the acquisition of lands required for the extension of the Railway Central Station at Waltair, entered on the special duty on 27<sup>th</sup> February 1894 and continued till the 15<sup>th</sup> instant. Almost all the work was finished and the remaining work was not sufficient for a special officer. I therefore directed the Special Deputy Collector to wind up his work and hand over the remaining work to the Nagar Deputy Collector. This was done on the 15<sup>th</sup> instant. The special work lasted for 2 months and 17 days during which the Deputy Collector transferred to the Railway Department 218 acres of land including two villages and settled and paid compensation in 435 cases covering an area of 123.98 acres, a very good record. He also allotted new house sites to the villagers of Bondaparti and Tikkavanipalem taken up by

by the Railway Department.  
Resolution.

Submitted for the information
