Sir,
with ref to L^r No. 244/1017
of the 23rd Nov. It is to be borne
in mind that the collector of N. Dist.
has been requested to arrange
for the transfer of the land.
With regard to the last
para of your letter, that the
~~land is to be transferred~~
to ~~the~~ ^{request} that for works

Reminders.

I had no intention of departing
from the established procedure
with regard to estimates under
10000/- but would note in future
that at the official meeting
the works in detail in letter
1013 of 7-12-89 be held to
include a plan of any land
required showing the position
of the building or other work

costing less than Rs 1000.00. Works
are ordinarily dealt with
at O.M.s. it will be sufficient
if when submitting the land
plans and schedules, a
block plan is also sent
forwarded with the following
information ^{being} ~~sent~~ on it
(a) ~~list of proposed buildings~~
~~designed to be constructed~~
(b) ~~with a plan of each~~
~~building~~

Subject. *M.R.*
In this particular case 29/11/93

there was nothing on the land plan
to show that in minor works
was contemplated

(a) boundaries of the land
it is proposed to acquire
with approx cost &
area.

(b) list of all buildings
with approx: cost-
of each.

For works costing more than
Rs 1000. I should prefer
that the estimates, plans
of the buildings etc are
submitted at the same
time as the land plans
and schedules.
