Statement made by (1) Hali, a ryot, and (2) Venkataranian and (3) Bharumman, sons of Bharuffa Kothan, of Bilishi village, in fimbature Taluk, on 23 January 1894.

Oratta for survey fields no. 117 c in Bilishi village is held by me named Hali and by Bharuffa Kothan who died some 6 months ago, and the field is in our enjoyment and occupation. Deceased Bharuffa Kothan has left 4 sons. Of these the eldest & the second sons are present. The other two sons named (1) Velappan & (2) Muttanman are minors and are under the protection of the eldest and the second sons (of the deceased).

Some 5 or 6 years ago I and Bharuffa Kothan purchased for field no. 117 (c) and obtained it. The Railway Department has applied for a portion of the above field for digging a channel to divert the rain water; and the portion measures about $1\frac{3}{4}$ acres. We agree to part with it to the Railway Department. We should be paid at Rs. 200 per acre for the above extent. It is only if we are paid at that rate that we will part with the extent.

Lf

If not, we agree to receive payment of
what is paid to us by the Government and to pass
with the extent. The two minors referred to
above are not present here.

I heard the above read over to us & it is correct.

Statement made by Obanniyappa Meethi,
a ryot of Bilichi village and residing at
Obaramanai, in Coimbatore Taluk, on 23rd
January 1894.

Some 22 years ago I was selected for
survey field no: 187A in Bilichi village,
obtained^{it} in patta no: 19, enjoy it from that
time forward and pay its assessment to
Government. The extent of the portion at-
tributed for by Government to the Railway Depart-
ment, in the western portion of the field
adjoining the railway line, to divert the rain
water is about 1 1/2 acres. This year I have
cultivated it with gram. I agree to pass
with the extent to the Railway department
if I am paid at the rate of Rs. 100 per acre.
If not, I shall receive payment of the
amount settled by Government and pass
with the portion required by the Railway
Department.

I heard the above read over to me & it is correct.
