To

The CONSULTING ENGINEER FOR RAILWAYS,
MADRAS.

Sir,

As there has been difficulty in securing the smooth running of the Governor's Saloon carriage and the First Class Carriage Clemenson's, the Locomotive Superintendent is desirous of removing the Clemenson's bogie underframes which have now been under them some years and are rather old and unsteady, and place in substitution two of the new four wheeled bogie underframes. As this will alter the type of Carriage I have to ask for the sanction of Government to the proposal being carried out. The cash expenditure about Rs 450 in each Carriage is chargeable to the Revenue Account,
