SIR,

As it is found that Public Works Department Form No. D. S. 7, prescribed in Government of India Circular No. II Railway, dated 18th March 1893, for the submission of half-yearly lists of stores and tools and plant available for sale or transfer on open lines of state railways, is unsuited for the purpose for which it was therein ordered, I am directed to forward herewith the accompanying form, and to request that it may be used in substitution of form No. D. S. 7.

2. I am also to request that the Agents of Guaranteed and Assisted Railway Companies may be asked to insert an additional column in their surplus stores lists, giving the information required in column 3 of the present form, as it is considered desirable that railway administrations should be furnished with information to enable them to distinguish between stores sent out from England and those which have been purchased from tradesmen in India, the former class of stores being as a rule of superior quality to the latter.

3. I am further to request that the Agents of Guaranteed and Assisted railways may be instructed to supply the Port Storekeeper, State Railway Department, Calcutta, direct with a copy of their surplus lists of stores and

SIR,

As it is found that Public Works Department Form No. D. S. 7, prescribed in Government of India Circular No. II Railway, dated 18th March 1893, for the submission of half-yearly lists of stores and tools and plant available for sale or transfer on open lines of state railways, is unsuited for the purpose for which it was therein ordered, I am directed to forward herewith the accompanying form, and to request that it may be used in substitution of form No. D. S. 7.

2. I am also to request that the Agents of Guaranteed and Assisted Railway Companies may be asked to insert an additional column in their surplus stores lists, giving the information required in column 3 of the present form, as it is considered desirable that railway administrations should be furnished with information to enable them to distinguish between stores sent out from England and those which have been purchased from tradesmen in India, the former class of stores being as a rule of superior quality to the latter.
