The Secretary to Government,

Department of Public Works.

Railway Branch:

Madras.

Dear,

I have the honor to inform you, that certain lands in Sandigam Estate of this District being required for the East-Coast Railway, the late Special Deputy Collector prepared the draft-notifications published at pages 1013 and 1016 of the North-Saint George Gazette No 40 - dated 13th October 1891, and proposed compensation by means of Peishensh deductions. When the office of the Special Deputy Collector was about to be abolished, the Proprietor expressed his unwillingness to accept the rates proposed by the Deputy Collector, and subsequently complained that the extents already notified in the Gazette were not correct. This was found to be true. Hence the necessity for a fresh draft-notification for the correct extents. The Principal Assistant Collector may be appointed to perform the functions

functions of a collector under the Act.

I therefore request that two enclosed ^{drafts} drafts - notification for the lands in the 17 Villages therein named may be published in the next issue of the North-Saint-George Gazette. The Principal Assistant Collector promises a supplemental draft notification for portions of lands in Jandapeta and Detubanda referred to in the enclosed notification.

2 The owners of the land have raised no objections to its requisition.

I have the honor to be

Sir,

Your most obedient servant
