for certain stations on
the East Coast Railway

No. 16950 dated 17th April 1894.

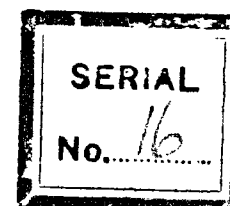

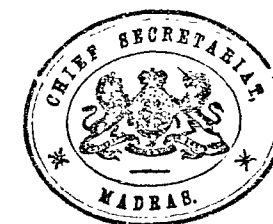

On State Railways open for traffic, police charges proper i.e. for law and order are borne by Govt. Provincial or Imperial according as the line is Provincial and Imperial. Watch and ward staff is entertained by the Railway authorities, and the cost is met by the Railway. In the present case therefore the cost of the Police should be borne by Imperial and not by the Railway.
