Read the following papers :—

From the Agent and Manager, Madras Railway, to the Consulting Engineer for Railways, dated Madras, 2nd May 1894, No. 8040/333.

I have the honour to enclose an extract, paragraphs 11—15, from a letter from the Secretary, No. 897, dated the 13th ultimo, communicating the sanction of the Board to the salary of the Agent and Manager being raised from Rs. 2,000 to Rs. 2,250 per mensem with effect from the 1st July next, and to request that you will be good enough to convey the approval of Government to the proposed increment.

ENCLOSURE.

EXTRACT from a letter from the Secretary, No. 897, dated 13th April 1894.

11. *Salary of Agent and Manager.*—The Board have for some time past thought that the salary at present attached to the office of Agent and Manager is not commensurate with the heavy duties and responsibilities of the position, requiring for their proper fulfilment not only a practical worker but a gentleman possessed of thorough experience of organization and administration.

12. The recent notable increase in the Company's net revenue has afforded the Board much satisfaction, and they are of opinion that the disparity between the salary of their Agent and Manager and those of gentlemen filling similar positions on other Indian Railways should no longer be so marked as at present.

13. They accordingly sanction, subject to the approval of Government, an increase to the salary of the Agent and Manager of Rs. 250 per mensem, with effect from the 1st July 1894, thus making it Rs. 2,250 per mensem.

14. At the same time the Board wish it to be understood that the abovenamed sum is not to be considered the final limit, and when surplus profits shall have been actually realized, they will be prepared to consider the question of further increasing the salary of the post to a maximum of Rs. 2,500 per mensem.

15. The Board are pleased to propose this present increase during your tenure of office, because they feel that the improved condition of the traffic and the greater economy of working are largely due to the zeal and ability displayed by you not only as Agent and Manager but previously, for several years, as the Company's Traffic Manager.

From the Joint Secretary to the Government of Madras, Public Works Department, Railway Branch, to the Secretary to the Government of India, Public Works Department, dated 16th May 1894, No. 155 D.

I am directed to forward copy of letters No. 897 of 13th April from the Board of Directors and No. 8040 of 2nd May from Agent and Manager to increase the pay of Mr. Moss from Rs. 2,000 to Rs. 2,250 from 1st July 1894 next and to ask the sanction of the Government of India thereto.

The successful progress and administration of the Madras Railway are in a great measure due to the ability of Mr. Moss, the Agent and Manager, and the Government of Madras favorably supports the recommendation of the Board of Directors.

From the Under Secretary to the Government of India, Public Works Department (General), to the Joint Secretary to the Government of Madras, Public Works Department, Railway Branch, dated Simla, 27th June 1894, No. 2079 G.

In reply to your letter No. 155 D., dated 16th May 1894, I am directed to communicate the sanction of the Government of India to the pay of Mr. Moas, Agent and Manager, Madras Railway, being increased from Rs. 2,000 to Rs. 2,250 per mensem with effect from 1st July 1894.

ORDER—dated 14th July 1894, No. 394 R., Public Works.
