Sir,

At the instance of the Consulting Engineer for Railways Madras, I have the honor to forward for approval and publication in the Fort St. George Gazette a draft notification for the acquisition of a piece of land measuring 38 cents required for station purposes at Palghat.

2 The land is estimated to be worth Rs 320, but its owner is unwilling to part with it for that price. A translation of a statement made by the owner's agent is enclosed.

I have the honor to be

Read the following paper :—

From the Agent and Manager, Madras Railway, to the Consulting Engineer for Railways, dated Madras, 10th February 1894, No. E. 380/113.

With reference to minute No. 7, schedule J. of the official meeting and stores committee held on the 26th ultimo, I have the honour to forward herewith an estimate with plan No. 3296 for the proposed alterations and additions to sidings at Palghat, and to request that the sanction of Government may be conveyed to me for the required outlay Rs. 18,352, chargeable in the proportion of Rs. 15,924 to Capital and Rs. 2,428 to Revenue.

2. In explanation of the necessity for the work, the Traffic Manager writes :—

“At the last official inspection arrangements were agreed upon which would permit the goods shed at Palghat to be used for traffic. At present, however, there is simply the one line and although I understand that the shed has been completed it is quite useless without the additional line and the cross-over roads enabling traffic to be worked in and out without delay.”

3. The matter received my support at the official meeting referred to above at which it was brought forward after discussion at an officers' meeting.

4. Information as to provision in the budget and date on which sanction will lapse is given on the estimate.

ORDER—dated 28th February 1894, No. 120 R., Public Works.

Sanctioned.

2. This sanction has been registered as No. 32 R. of 1893-94.
