AGENT AND MANAGERS OFFICE,

Madras, *12th July* 1894

From

To

The Consulting Engineer for Railways.

Sir,

Madras.

I have the honor to
forward herewith an Estimate, with plan
No. 3360, for the proposed extension of
siding at the West end at Arkonam
and to request that the sanction of Govern-
ment may be conveyed to me for the
required outlay, Rs 5,718, chargeable in
the proportion of Rs 5,605 to Capital and
Rs 110 to Revenue.

This work forms a part
of the comprehensive scheme for improving
the station yard at Arkonam.

The matter was discussed
at a meeting of officers held in my
Office

office on the 8th of June, and approved.

We have selected the extension of this siding to be completed during the present year as in practice for want of room, loaded wagons which arrive at Arkham from the west by local trains have to stand in the main line until they go forward and without the extension of the siding now proposed ~~the objectionable practice cannot be avoided.~~

Information as to provision in the budget and date on which sanction will lapse is given on the Estimate.

I have the honor to be,

Sir,

Your most obedient servant

Ernest S. M. V. S.
