CHIEF SECRETARIAT MADRAS

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper:—

From the Chemical Examiner, Madras, dy 12 December 1893, No 1061.

With reference to my No 2265A, Public Works, dy 14th September 1892, in which Government allowed the Chemical Examiner to charge for analyses performed by him on account of the South Indian Railway, subsequent to its being declared a State Railway, I have the honor to request the favor of being informed whether the Chemical Examiner is entitled to fees for analyses performed on behalf of the Board Broad Railway.

I beg also to bring to the notice of Government that there is invariable disregard of the orders of Government in these cases, and my services are requisitioned as a matter of course without any regard to the fact that miscellaneous analyses (compulsory or optional) can only be undertaken

during intervals of medico-legal and other more important work. I am obliged to keep on reading and to take up miscellaneous work in the order of application, preference being given to emergent cases.

Sir G.O No. 3651, Public, dt 16th March 1870, paragraph 2 Government prescribed the manner of limiting these applications, but for some reason unknown to me these orders are never carried out.

Endorsement of the Public Works Department, Railway Branch, dt 23rd December 1893, No. 1119 2C.

—

(Order, 16th January 1894, No. 33.

The decision in this case must follow the ruling in G.O dt 16th March 1870, No. 3654.

2. The Public Works Department (Railway Branch) will be requested to take steps for ensuring the instructions in paragraph 2 of that G.O being observed.

True Extract,

Chief Secretary.
