As there is a great deal of work to be done in the drawing branch I respectfully beg that you will kindly engage a peon temporarily to help me in the drawing work. Every day I come early to Office and go home late forfeiting my tiffin during the day. My object in applying for an assistant is not to shirk work but to pick up the arrears that are accumulating and besides which there is a lot of drawing work to be done in connection with girder bridges &c.

sanction is accorded to the entertainment in the Office of the Consulting Engineer for Rs. 25 per mensem for 3 months from 21<sup>st</sup> March 1894. the necessary provision having been made in the final issue of the Budget for 1894-95.
