(Thro' the Revenue Divisional Officer,)

Sir,

Adverting to G.O dated 28th February 1895, No 312 M. Mis, I have the honor to state that the subject was discussed at a Meeting of the Municipal Council held on 22 March 1895.

A concession which was drafted by me on the terms of the Madras Tramways Order No 1 of 1888 was approved with some modification. A copy of the draft as revised by the Council is submitted to Government for orders.

The points wherein the terms differ from the Madras Tramways Order are

are noted below :-

1. All Municipal refuse of every description as well as road material, building materials, water and sewage pipes &c is to be given a free passage over any and every portion of the line : the promoters providing haulage power for the same if required at the rate of 8 pies per ton per mile to the extent of 100 tons and not more during every 24 hours.

2. The motive power is to be animal for passengers cars and steam for goods waggons ; but provision is made in the concession for animal, steam or electric power - at the option of the promoters.

3. The gauge is to be 20' and not to exceed 24' in any case.

4. Rs 750 is fixed as the amount of security.

5 The construction of the Tramway is to begin as soon as one half of the capital is subscribed.

6. The amount of promotion money and preliminary expenses is not to exceed 10 % of the capital proposed to be raised.

7. The promoters to pay the Municipal Council preliminary legal and engineering expenses not exceeding Rs 500.

I trust the above modifications will meet with the approval of Government.

Sir,

I have the honor to acknowledge the receipt of your letter of the 3rd ultimo, no. 616, and reminder dated 12th Instant.

In the first place I must tender you my sincere apologies for the delay which has arisen in replying.

Unfortunately during my recent severe illness, the papers were mislaid, and it is only now that I am enabled to send you the desired information.

Enclosed I beg to hand you a statement showing the grounds on which an estimate for a Capital of Rs 120,000/- was based. This was on the supposition that a light line of Railway laid down on one side of the road, would be sanctioned.

But as Government has, I believe, since ruled that the line must be so Constructed so as to be quite level with the ordinary road, and that vehicles of all description shall be able to pass over and on it, through out its entire length, this estimate will have to be somewhat increased say, to the extent of Rs 30,000, though I do not anticipate much trouble in getting this additional sum subscribed to.

Sir,

With reference to para 3 of the Proceedings of the Madras Government, Local & municipal department, dated 28th February 95 no 312 M. dis, Communicated with your endorsement dated 15th march 95, I have the honor to state that the undermentioned four gentlemen have applied for Concession to lay a tramway within the Calicut municipality.

1) Mr A Brown
2) Rao Bahadur A. Subramania Iyer.
3) " Jamnoi Govinda Ram
4) " Parakayathoppil Mahomed Haji.

Mr A Brown is a well known timber merchant in Calicut who is assessed by you to an Incometax of Rs 390-10-- on an income of Rs 15.000.

Rao Bahadur A. Subramania Iyer is a leading Vakil practising in the Criminal Courts. He paid an incometax of Rs 115-14-2 on an Income of Rs 4450, for 94-95.

Mr. Jawrai Govinda Ram appears to be a big merchant in Shikarpur. His agent at Calicut, Mohindoss Narasimmal, whom I sent for and enquired, states that his principal pays an incometax of Rs. 300. and odd at Shikarpur. and that he (the agent) had signed the prospectus of the tramway Company with the Sanction of Mr. Jawrai Govinda Ram.

Mr. Parayathoppil Mammad Haji belongs to a respectable mahomedan family in Calicut and I understand on enquiry that he is worth about Rs 15,000. He paid an incometax of Rs 28 last year on the profits derived from timber trade which he is carrying on.

I think they are in a position to raise the Capital of Rs 120,000.

2. With regard to the 2nd point referred to, viz the grounds upon which the estimate of the Capital has been based, I have the honor to submit herewith letter dated 23rd may 95. received from Mr A Brown.

The Statement appended to the letter furnishes the necessary details.

Calicut Tramway.

No. 2

In 1894 a proposal was submitted to Government by the Calicut Municipality to form a Company for the purpose of constructing a tramway 7½ miles long of 20" gauge and 16 lbs rails, with the object, among others, of conveying rubbish and refuse beyond Municipal limits owing to the insanitary state of that town. The tramway was estimated to cost Rs 1,20,000, which the promoters, all of whom are reported to be wealthy, were able to raise.

The Government, in forwarding a copy of the concession granted to the Madras Electric Tramways Company, stated that the question of the extension of

of the Indian Tramways Act to Collectors should be considered on receipt of the following information:—

(1) the terms of concession as arranged between the Municipal Council and promoters.—

(2) the exceptions of the suggestion to lay the rails flush with the road surface.

(3) a report on the financial condition of the promoters

(4) a report on the grounds on which the estimate is based

Her reply of the Municipal Council has satisfied the above requirements.—

Mr. Brown, one of the Company, considers that, to carry out the laying of rails flush with the road, another Rs 30,000 will be required and he says that there will be no difficulty in raising the additional sum. The estimate will therefore be Rs 1,50,000 or Rs 20,000 per mile.—

The draft notification Submitted by the Collector of Malabar differs in some respects from the Madras notification.—

Its main provisions are

The Tramway shall be worked by animal power, steam power, electricity conveyed either through overhead or underground wires, or any mechanical power: and for carriage of passengers, animals, goods minerals thereof; besides municipal rubbish, road material, building material water sewage pipes &c.

It

It shall extend from the Municipal landing place at the "Kallai" River to the Parakkal bridging place with branches along Jail Road, Big Bazaar Road & Sonta Beach Road.-

The charges shall be

Passengers - 6 pie per mile with 20 lbs luggage free.-

Goods - 3 annas per ton per mile.-

Municipal Rates - Sheriber low per mile to the extent of 100 tons each movement during 24 hours.-

It is proposed to publish the draft notification in the Fort St George Gazette under which the Tramway Act will be made applicable to Calicut & to give sanction to the concession to the municipality through the Collector of Malabar.- for a period of one year to enable Calicut to start work

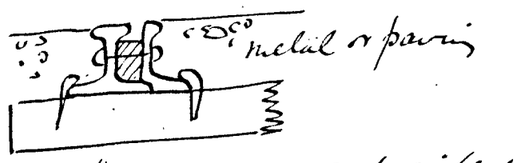
(10) Immunity from taxation for seven years

The sanitary officer heartily approved the scheme commended to the very liberality of State of Calicut and heartily approved of the scheme. The Chairman Municipality then forwarded the proposal through the collector to the Secy. The Collector in forwarding to Chief Secy. remarked

that if the rails were 6 in above the level of the road the scheme could still be entertained but that if they were flush with the road surface the tramway would be of great benefit.

The chairman in replying to the Collector said he had been to Calcutta where he had seen a cheap device which would enable the rails to be made flush with road bottom measuring the expense of a special tramway rail. he appends a sketch



and says this arrangement will not greatly increase the cost of the railway originally proposed.

The case was submitted to Govt and a G.O. No 312 Mis of 28.2.55 was issued ~~providing~~ ordering that

(1) The council and the promoters are to arrange terms of concession and forward the same to Govt for orders, a copy of the Madras Tramways orders being sent to them as a guide.

(2) The rails must be flush with road surface

(3) The collector to report on the financial condition of the promoters

(4) The collector to report on the ~~sufficiency~~ of the ~~Estimate~~ grounds on which it is based.

(5) On receipt of the information Govt will decide on the question as to extension of the Tramways Act to ~~Cochin~~ Calicut.

The Municipal council have now submitted the draft orders for approval

Condition (2) above is satisfied

The collector has reported that the promoters
