FOR RAILWAYS,

MADRAS.

Sir,

It having been decided, after personal interviews between the Agent, the Traffic Manager and Messrs Best and Co., that two Oil Tank Trucks are required in addition to the two sanctioned by G.O. N^o 65512 of the 13th of December last, and the 6 already in use, I am about to apply to the Board of Directors for sanction to construct two Tank Trucks at an estimated cost of Rs. 6,891/-.

Messrs Best and Co. are very anxious that the development of their bulk oil trade should not be retarded in any way and it will expedite matters if your sanction can be accorded in anticipation of the submission of an estimate and I intend to regularize matters by my either telegraphing or writing home to the Board to send out the required material which it is estimated will cost Rs. 266/- in accordance with the contract which has already been let for the supply of the material required for the two trucks recently sanctioned.

I have the honor to be, Sir,
Your most obedient servant
