AGENT AND MANAGER'S OFFICE,

Madras, 23 July 1895.

From

Ta

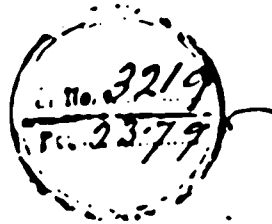

SIR,

C 4017 With reference to your letter C/P 2211 dated 10 July 1898; I have the honour to submit the undermentioned list of towns in the vicinity of the Madras Rail. way at which it is proposed to establish out-agencies.

Vellore
Ranipett
Arcot Town
Arnee
Salem Town
Kolar.

2.

I desire to explain
that

that it is contemplated to open these out-agencies as an experimental measure. and that it is proposed to commence first with Vellore, and in the event of this proving to be attended with successful results it is intended to extend the system to the other towns on the list. For the present arrangements will be made for the carriage of goods & parcels between the town and the nearest Railway Station on a fixed scale, but owing to the tentative nature of the undertaking it is not proposed to adopt any 'working agreement' such as that defined in the margin of section 60 of the Railway Act.

3. I request therefore that you will be so good as to communicate to me the sanction of

of Government for the establishment of the above out-agencies in accordance with section 4 (c) Chapter 41 (42 and 43 Vic) of the Indian Guaranteed Railways Act, and it is requested that I may be favoured with an early reply to this application.

I have the honour to be,
Sir,
Your most Obedt Servt
Steuart West.
