NOTE on the six months' estimate of the Madras-Ennur Railway (Capital) for the year 1895-96.

The budget estimate was passed for Rs. 3,00,000 which was subsequently increased to Rs. 4,30,000 in Government of India letter No. 236 A.R., dated 17th June 1895, and the six months' estimate has been prepared for this sum.

2. The actual and approximate expenditure to end of September 1895 amounts to Rs. 1,28,000, leaving a balance of Rs. 3,02,000 for outlay during the remaining six months of the year; but as the permanent-way material, the delay in receipt of which has given rise to the short outlay to date, is expected before the close of the year, the provision of Rs. 4,30,000 is likely to be fully worked up to.
