SIR,

I have the honour to enclose
 an extract para 5 from a letter from the
 Secretary, No. 922 dated the 2nd ultimo, in
 which the approval of the Board is ac-
 corded to an application being made to
 the Government for an increase of Rs 100/-
 to the salary of the Company's Medical
 Officer, with effect from the 3rd August
 last, the date on which Mr. Currie com-
 pleted two years' service with the Com-
 pany. This increase, if sanctioned, would
 raise his pay to Rs 550 per mensem,
 which is the amount drawn by his
 predecessor Mr. Ansted, after a similar
 length of service. Mr. Currie has given
 general

general satisfaction to the staff in the discharge of his duties and has devoted much care and attention to the improvement of the sanitation of stations, and I have therefore much pleasure in making this application on his behalf, and request that the sanction of Government may be communicated to me at an early date.

I have the honour to be,
Sir,

The increase to
Dr. Currie's salary
from Rs 450 to Rs 550
per annum is sanc-
tioned with effect from
the 3rd August 1895.

C. R. will please note
that Govt of India sanc-
tion was not necessary

Noted. The reason why India's sanction was
considered necessary was that the increase from Rs 450 to
Rs 550 was given to Dr. Currie's predecessor as personal increase for
long & good service and apparently not as enhancement of the
sanctioned salary of the post. Under these orders however I am
satisfied that we can consider the maximum of the post to be
fixed at Rs 550 up to which the local Govt can sanction future increases
