checked and returned with the following remarks.

1. Minute N° 51

List C. The estimate has not been received, but the Agent and Manager promised to send it later on. The amount of the estimate should be entered at the meeting.

2. Minute N° 52

Schedule A. The statement of minor Compensation claims should be signed at or before the meeting by the Consulting Engineer and the Agent and Manager.

Schedule B. With the exception of item N° 131

Traffic clerk Davarajulu Naidu whose case may be considered to fall within rule III of para 7 of Govt of India Circular N° XIV of 1894, in all the other cases the long service and old age of the applicants appear to be the only considerations advanced in support of the applications, and the grant of gratuities in such cases is opposed to the general principles laid down in Govt of India Circulars N° XIV Ry of 1894 and N° V Ry of 1895. Unless such special and exceptional services can be proved as would bring the cases of these applicants within rule III of para 7 of Circular N° XIV Ry of 1894, the grant of the gratuities applied for is inadmissible. Copies of correspondence between this office and the Accountant General P.W.D. on the subject of the effect of the above

June 20/1901

Above rules on the grant of gratuities to
employes of the Madras Railway Company,
are herewith put up for E.R.'s information.

Schedule F1. The purchase of paint brushes should
be sanctioned at the meeting by E.R.

3. The following sanctions should be recorded
in the list B.

E.R.'s No. 2979 dated 20th September 1895 sanctioning
the monthly rental of Rs 7.8.0 for a house
engaged for the use of Mr Dalgar, Engineer-
ing Assistant as office.

E.R.'s No. 2449 dated 30th July 1895 sanctioning the
amount of premia received from apprentices
being credited to the Provident Institution
and stating that no contribution from
revenue will be allowed on such sums.

W. Allen

to R

R.

Copy of letter No. 764 dated 26th September 1895 from
the Examiner Railway Accounts, Madras, to the
Accountant General, P.W.D. Simla.

With reference to Government of India Circular
No. F Ry dated 18th July 1895, I have the honor to state
that gratuities are being sanctioned to subordinate
employes of the Madras Railway on retirement under
medical certificate of unfitness for further service
in cases in which it appears to me that the employes
length of service and old age are the only considera-
tions advanced in support of the applications, and
the grant of which gratuities appear therefore to be
opposed to the general rules laid down in Circular
No. XIV Ry of 1894.

I would however at the same time point out that
as the Madras Railway Provident Fund has been
in operation for a few years only and the deposits
at credit of the Company's servants are not large,
this circumstance has, under the ruling contained
in the last clause of para 3 of Circular No. XIV Ry
of 1894, apparently to be considered by the sanctioning
authorities in dealing with questions regarding
gratuities which arise from time to time!

Under these circumstances I am in some doubt
whether it is incumbent on this office in any way
to question sanctions to gratuities given to employes
on this line exclusively on considerations of length
of service, or whether it is to be considered that
the Consulting Engineer and Local Government
have absolute discretion in deciding as to the
admissibility

admissibility of gratuities which are within their respective powers of sanction as laid down in the Schedule to Circular N^o V Ry of 1895, and I have accordingly the honor to request the favor of your opinion and instructions on the subject.

CS

Copy of letter N^o 1656 E dated 8th October 1895.
from the Accountant General, P. H. D. Simla, to
the Examiners Guaranteed Railway Accounts, Madras.

In reply to your letter N^o 764, dated the 26th ultimo, I have the honor to say that, in my opinion, the grant of gratuities to the employes referred to should be regulated by the general principles prescribed in Government of India, Public Works Department, Circular N^o XIV Ry of 1894, and that, if in a case "length of service" is the only consideration advanced in support of an application for gratuity, it would be your duty to draw attention to the rules and to ask that the orders of the Government of India be obtained.
