Your Office Note No 409 dated 7th
February 1896

The total expenditure incurred on the Madura Pamban Railway Survey at end of December 1895, amounted to Rs 22482; deducting therefrom an anticipated credit of Rs. 738 on account of scientific instruments returned to the Mathematical instrument department, the net total outlay during the current official year will probably amount to Rs 21744 or Rs 4256 less than the grant of Rs 26000, so that Rs 4000 may apparently be resigned.
