the Arsikere Bangalore &
Lumivelly Guntur Railway
Surveys were received
in manuscript from the
Engineers-in-Chief & as
the Government of India was
pressing for their early
Submission & as there
was no time to have them
printed it was decided
to have them typed by
2 clerks who had to work
out of office hours for 3 days
(Sunday included)
& 2 full nights for this
purpose...

The typed copies of the
Lumivelly Guntur Report
& estimates were sent to
the Government of India & those
of the Arsikere Bangalore
Report & estimates were sent
direct to the Govt. of India.

On a previous occasion
when the Reports & estimates
of the Bejouda Maduray
were put in the hands of the
printers very great delay
occurred & the procedure above
referred to was adopted to avoid
a similar delay.
