From Mr. R. C. Sivappa Rao
Special Deputy Collector
B. M. S. Railway

The Collector of Kallakurichi District
Kallakurichi

Sir

With reference to your letter
No. Ref. on 25/10/92 & 25/10/93
received by me yesterday, I have the
honour to submit herewith a draft notifi-
cation for the acquisition of 1178-48
acres of land required for the P. & G.
Division of the B. M. S. Railway, in
Panangudi and 24 other villages, at-
tached to the Venkataswami Zamindari
in the Kallakurichi District for early
publication in the Fort Saint George
Gazette.

The notification now submitted
is not in the form prescribed in para
of Standing Order No. 11, but contains
all the particulars required to be given
in Sub Section 2 Section 6 Act I of 1894
I believe that the acquisition of the

lands on the strength of the notification will not tend to invalidate further proceedings in as much as the notification gives all the particulars necessary to be given in a legislative enactment, though not those which are to be furnished under an executive order of the Government. I request therefore that you will be so good as to address Government to this point with the usual form in which draft declarations are submitted in view of the urgent nature of the acquisition and owing to the late receipt (on the 29th instant) of land plans and schedules in this Office. Detailed measurement accounts containing individual and fieldwar particulars in each village will of course be prepared before notices under section 9 of the Act are issued.

3. I understand that a notification such as the one now submitted was published in December 1891, when lands were urgently required in Masoor and Chingulpet Districts

for the Ennore section of the B. M. Railway.

I have the honor &c.

/s/ C. Sivappa
