EXAMINER'S REPLY.

The estimates are correct as to allocation and require the sanction of the Local Government. Attention is invited to the cost of the Assistant Traffic Manager's bungalow which seems somewhat high in comparison with the salary of the appointment. To cover interest and cost of maintenance, the rental of this building should be Rs $\frac{11,329 \times 7\frac{1}{2}}{100} =$ Rs 850 per annum or say Rs 71 per mensem.

The salaries of Assistant Traffic Managers are:

1st class 727 - 818

2nd " 545 - 636

3rd = 410 - 454

and

and as recoveries of rent are limited to 10% of the occupants' salary, the full rent would be recovered only when an assistant of the 1st class was the tenant.

As no provision was made in the current year's budget for the Assistant Traffic Managers' office, this work may be sanctioned if considered "Special".

Funds are available from the grant for unsanctioned works, Schedule B of budget for 1895-96.

Sir,

in reply to your letter
No. E.458 d. 20/9/95 I have
the k. to invite attention
to the cost of the Traffic
Managers' Bungalow. To
cover interest - on lab. acct.
of maintenance the cost of
the bungalow should be \$850
per ann or \$71 per annum.
Under the 10% rule this sum
will ^{only} be realized in the
event of the bungalow being
occupied by a 1st class
Assistant Traffic Manager.
I have the k. to enquire
whether the bungalow will
always be occupied by an
officer of that grade. If
not it is thought that
a building of the type same
type as that recently sanctioned
for the Asst. Secy. at
Prawara at an estimated
cost of \$198/- might be
substituted.
