to request that you will inform me what
further action has been taken to allow
our Executive Engineers to draw on
the Sularpet Treasury. Great inconvenience
is being experienced by the distance from
a Treasury of the works at the north
end of the Pulicat Division.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read again the following G. O. No. 1581 M.S., Revenue, dated 27th April 1896, on endorsement of the Public Works Department (Railway Branch), No. 530 R., dated 15th April 1896, transferring letter from the Engineer-in-Chief, Madras Railway, suggesting the conversion of the Sulurpet Division Treasury into a Sub Treasury, Mellore District:—

Referred to the Board of Revenue for very early report as to what additional establishment would be necessary to enable the Executive Engineer, Pulicat Division, to draw on the Sulurpet Treasury.

Read also the following Proceedings of the Board of Revenue, Madras Revenue, No. 2305 M.S., dated 18th June 1896:-----

Read again Board's Proceedings dated 2nd May 1896, No. 2022 M.S., communicating to the Collector of Mellore G. O. 1581 M.S., Revenue, dated 27th April 1896.

Read also the following letter from the Collector of Mellore, No. 1785/Acc., dated 18th May 1896:-----

With reference to Board's Proceedings No. 2022 M.S., d/ 2nd May 1896, I have the honour to propose the entertainment of a Head Accountant on Rs. 30 and a Shroff on Rs. 15 per mensem, to enable the ~~Engineer~~ Executive Engineer, Pulicat Division, Madras State Railway to draw on the Sulurpet Division Treasury.

At present, the monthly transactions in that Treasury are on an average Rs. 6792 - 8 - 0 under Receipts, Rs. 2000 - 1 - 4 under Charges, Rs. 4504 - 1 - 10 under Permittances. The prospective Railway transactions are estimated to be not less than Rs. 50,000 a month; and a proposal has been made by the Superintendent of Post Offices in regard to drawing money for postal expenses at this Treasury which would add another Rs. 1000 to its monthly transactions.

5. Sulurpet is the Head Quarters of a Zamindari division (Polur) but it receives the collections of the Government villages of the Gulur Taluk around Sriharikota. The Deputy Tahsildar has often to be out in camp, having charge of the Government villages above referred to and having to visit Sriharikota itself once a month and oftener; and during his absence, an officer of higher rank than an ordinary Clerk on Rs. 15 must necessarily be in charge of the Treasury, if its transactions are to be extended as above proposed. The necessity for a Shroff under the new circumstances speaks for itself.

Read also the following reference thereon dated 29th May 1896:-----

The Collector is requested to return the six enclosures forwarded to him with Board's Proceedings No. 2022 dated 2nd May 1896.

Read also letter from the Collector of Nellore, dated 3rd June 1896, No. 1966/1896, submitting six enclosures referred to in Board's Proceedings No. 2022 dated 2nd May 1896.

Resolution:-----

Submitted to Government with reference to G. O. No. 1591, dated 27th April 1896.

2. The Board considers that a temporary shroff on Rs. 10 per month is sufficient.

3. It will be seen from the correspondence quoted in the margin, that when the local Sub-Registrar has been provided with accommodation in the Deputy Tahsildar's Office, he will be able to look after the treasury transactions during the Deputy Tahsildar's absence. If the work has not already been completed, the Collector is requested to take the necessary steps for its early completion.

4. The pay of the Shroff for the current year can be met from general savings under Land Revenue.

Order thereon. No. 5039 M.S., dated 30th July 1896.

The entertainment of a temporary shroff on Rs. 10 for the Polur (Sulurpet) sub-treasury is approved and the proposition statement will be transferred to the Financial Department for sanction.

2. The Board of Revenue is requested to issue the necessary instructions to enable the Executive Engineer, Public Division, to draw on Sulurpet sub-treasury.
