2. In para. 10 of No. 2,127 you report that at the end of June 1893 the undivided interest in the Employees' Guarantee Fund amounted to Rs 2,197-3-11. In your letter to the Consulting Engineer, No. 39, dated 10th January 1894, you explain how this balance arose and suggest that the transfer of the same to the Provident Institution is the only means of giving the amount back to the legitimate owners. Under the circumstances the Board are pleased to sanction your proposal to transfer the account to the Madras Railway Provident Institution.

2,197-3-11, the ~~proportion~~ of undivided interest appertaining to the Employees' Guarantee Fund.

2. The sum above referred to, has originated from interest being drawn on the whole amount deposited in the Special funds Accounts while interest is not allowed on the annas and pice of the large number of small Accounts comprising the total deposit.

3. The proposed transfer, which has secured the approval of the Board of Directors, is the only means of giving the amount back to the legitimate owners.

My opinion is that the Trustees have authority without the sanction to India Act as Sec. says so. I will write Indian section

SIR,

In your letter No. 273 dated
the 25th January 1894, the sanction of
Government was conveyed to the transfer
to Revenue of Rupees 425. 11. 8, which
sum stood as undivided interest in the
Contractors' Security Fund at the end
of June 1893. On the strength of this
sanction, the Chief Auditor transferred
a sum of Rupees 45. 3. 10 to Revenue
in the accounts for the month of July
last, but the Government Examiner
does not consider the sanction above
referred to as a sufficient authority, and
I have therefore the honour to request
that you will kindly communicate
the

the sanction of Government to the transfer of this amount, and to inform me if in future, transfers of a similar kind may be made without a special reference in each case to the Government.
