Extract from a letter from the Secretary M. R. Co., No 896 dated London the 16th March 1894.

Transfer of undivided interest to Provident Institution.

2. In para. 10 of No. 2,127 you report that at the end of June last the undivided interest in the Employés' Guarantee Fund amounted to Rs 2,197-3-11, and in your letter to the Consulting Engineer, No. 39, dated 16th January 1894, you explain how this balance arises, and suggest that the transfer of the same to the Provident Institution is the only means of giving the amount back to the legitimate owners. Under the circumstances the Board are pleased to sanction your proposal to transfer the above sum to the Madras Railway Provident Institution.

2197. 3. 11, the ~~proportion of~~ undivided interest appertaining to the Employés' Guarantee Fund.

2. The sum above referred to, has originated from interest being drawn on the whole amount deposited in the Special fund Accounts while interest is not allowed on the annas and pies of the large number of small Accounts comprising the total deposit.

3. The proposed transfer, which has received the approval of the Board of Directors, is the only means of giving the amount back to the legitimate owners.

My opinion is that the Trustees have authority without reference to India but as Exc. says no. I will ask Indian sanction

SIR,

In your letter No. 273 dated the 25th January 1894, the sanction of Government was conveyed to the transfer to Revenue of Rupees 425. 11. 8, which sum stood as undivided interest in the Contractors' Security Fund at the end of June 1893. On the strength of this sanction, the Chief Auditor transferred a sum of Rupees 45 - 3. 10 to Revenue in the accounts for the month of July last, but the Government Examiner does not consider the sanction above referred to as a sufficient authority, and I have therefore the honour to request that you will kindly communicate the
