To

The Collector of Bellary

Sir,

I have the honour to inform you that I have received stationery as indicated for by me from the Superintendent of Stationery, Madras with the exception of one ream of Country paper about which a reference has been made to him this day. Besides those already indicated for, some more articles are absolutely necessary; but they have been omitted to be included in the indent already submitted to you with my letter no 2 dated 22nd ultimo, as the indent was then submitted from Madras for only such articles as were urgently required.

I therefore submit herewith a supplementary indent for the additional stationery required and request an early supply of the same.

I have the honor to be,
(Sd) K. Narasimha Rao
Spl Dy. Collector
